NEW! MEMBER MANUFACTURER!

SUNOPTA™

Ideal for School Meal Programs!

Kids are becoming more aware of their diet and environment, helping them make healthier decisions not only for themselves, but also for the world that surrounds them is our mission. That's what drives SunOpta's passion for nutritious food solutions.

Bringing better choices from Farm to Food Service

At SunOpta, we believe that healthier foods come from healthier growing methods, which is why we source, handle and process non-GMO grain and oilseeds on prime Midwestern soil. This, combined with the expertise to create a variety of flavors, results in some of the most delicious snack foods available for food service.

Sunrich™ Roasted Snacks

- Provides healthy, nut free, high protein snacks
- Adds sweet and savory variety to salad bars and entrée salads
- Non-GMO, gluten free, kosher certified, vegetarian

NO NUTS!*
