Get Students Excited About Seafood

As a school foodservice director, you have a tough job. Feeding hundreds of picky eaters on a tight budget with even tighter nutrition standards is no easy task. We're here to help with an innovative school product line created just for kids. Our innovative and flavorful seafood tastes like the menu items kids love at their favorite restaurants. The best part about our delicious seafood is that it is nutritious and budget-friendly, too.

HIGH LINER FOODSERVICE™

No matter how you offer them, our Seafood Bites are great.

Simply Sauce Seafood Bites are also available WITHOUT the sauce to give you the flexibility to offer them any way you want. When offered plain, these crunchy bites pack a flavorful punch all on their own. Plus they are perfect for kids on the go!
