

Innovative & Inspired Food Stations

Multiteria specializes in concept space design and modular serving counters designed to increase participation and revenue.

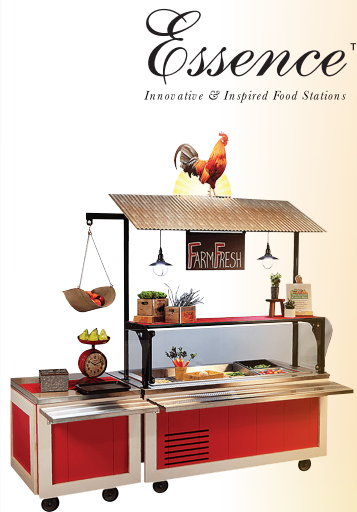

Essence™

Innovative & Inspired Food Stations

Modular Serving Stations with ultimate design flexibility and easy installation

- Interchangeable graphic panels make it easy to refurbish your serving station - no tools required!
- 12 standard sizes to fit your size and service, saving time and money.
- Patented Tight link locking system locks counters together for a stationary, custom-looking serving line
- Food Shields go from service to self-service with just the flip of a hand
- Sturdy, tubular stainless steel frame; choose mobile or stationary units with casters or standard legs
- Dual temperature hot-to-cold wells with individual solid state controls for complete menu flexibility

Farm To Table Counter

QS Series

Code	Product Description	Points
